Hello neighbors!

Communities of North Charleston!

I want to take this opportunity to introduce Liberty Hill Next Generation (LHNG). LHNG is a grass root non-profit organization based in the City of North Charleston offering services throughout the tri county area. **Our mission** is to empower, educate and facilitate initiatives to better our community. We seek to combat inefficiencies by creating lasting change that begins with a seed of investment through partnerships, programs, mentorship and resources that helps project participants to build technical or entrepreneurial skills. We will encourage and foster virtue by preparing the *Next Generation* of leaders for higher learning, purpose and service.

Our purpose is to continuously lift up our community by training our *Next Generation* of leaders and investing in a new breed of success.

William Parson Scholarship

The William Parson Scholarship (WPS) was inspired by one of Liberty Hill Next Generation founders, our friend and our brother William Parson who was affectionately known as "Apple". Mr. Parson was a wonderful human being who devoted himself to giving back. His sudden passing on March 19, 2023 not only impacted the organization, but left a lasting imprint on the lives of so many young people through the Low Country. Mr. Parson worked tirelessly to develop and offer himself to helping people.

The WPS seeks to provide support to a deserving young person who embodies the leadership, commitment, dedication and sacrifice Mr. Parson made daily in his continued efforts to give back to those less fortunate. We pray that this scholarship will provide a brighter future for a deserving young person.
